

Vintage Draughtsman's Technical Drawing Case, Instrument Set, AG Thornton, 1930

DESCRIPTION

Our Stock # 18.6906

This is a vintage draughtsman's technical drawing case. An English, brass and silver nickel instrument set, dating to the early 20th century, circa 1930.

- Useful set of instruments with appealing finish
- Displaying a desirable aged patina
- Brass instruments showing a natural, light weathering commensurate with age
- Presented within a quality blue velvet tray
- 10 pieces including a pair of bow compass
- Celluloid handles to ruling pens in pleasing cream tones
- Thornton maker's mark engraved to large compass
- Gold tooled maker's mark presented against a rich violet silk lining

This is a fascinating set of vintage draughtsman's technical drawing case. Comprising ten pieces, it is usefully comprehensive and well suited to being displayed upon a desk. Delivered polished and ready to use or enjoy.
