

Vintage Instrument Set, Swiss, Precision, Technical Drawing, Wild Heerbrugg

DESCRIPTION

Our Stock # 18.6907

This is a vintage instrument set. A Swiss, chromium steel precision technical drawing case by Wild Heerbrugg, dating to the mid 20th century, circa 1970.

- Striking, high quality Swiss instruments
- Displaying a desirable aged patina
- Chromium steel instruments show very minimal signs of use
- A testament to the hard-wearing materials chosen
- Comprising 20 pieces with tools and accessories
- Offering a trio of large compass dividers
- Spring bow compass and ruling pens of the highest quality
 - Presented within a pressed metal carry case and finished with an eye-catching crackle paint
- Wild Heerbrugg Maker's label to the black velvet lined interior
- 'Wild Heerbrugg, Swiss' engraved to each instrument
