

Vintage Proportional Divider, English, Brass, Compass, Draughtsman's Instrument

DESCRIPTION

Our Stock # 18.6799

This is a vintage 6" proportional divider. An English, brass compass or draughtsman's instrument, dating to the early 20th century, circa 1930.

- Attractive desk instrument
- Displays a desirable aged patina
- Solid brass with a pleasing weight in the hand
- Presented within a textured carry case with black velvet lining
- Four scales engraved to the brass frame for Circles, Lines, Plans and Solids
- Silver pointers crafted from steel and providing a fine contrast of hues
- Divides by way of knurled adjustment knob

This is a charming vintage proportional divider, ideal as a desk ornament or use by an enthusiast. Delivered polished and ready to enjoy.
