

Vintage Decorative Pouring Jug, English, Ceramic, Breakfast, Milk, Pot, C.1950

DESCRIPTION

Our Stock # 18.7094

This is a vintage decorative pouring jug. An English, ceramic breakfast milk pot in Carnation pattern, dating to the mid 20th century, circa 1950.

- Beautiful, mid-century breakfast table pottery
- Displaying a desirable aged patina
- Ceramic thrown into a delightfully appealing shape
- Finished with a lustre glaze offering hints of light pink and golden highlights
- Mellow cream ground with blush pink, hand-painted details
- Cascading upwards from a scrolled knot, the panels open out into a flared rim
- Shapely handle with further scroll motif and contrasting in hand-painted pink
- Base features the maker's mark for Royal Bradwell - Arthur Wood and 'Carnation' pattern name

This is a delightful vintage pouring jug with decorative appeal for the breakfast table. Delivered polished and ready to serve or display.
