

Mid Century Gilt Metal & Marble Coffee Table

DESCRIPTION

Our Stock # LFA-1355 This is a vintage, mid-century gilt wood and marble coffee table. In a classical revival style, this golden table is raised on swept legs with scrolled toes. It features foliate and floral detail with acanthus leaf mouldings that repeat in the serpentine stretcher that unites the twin bulbous pilasters supporting the top. The shaped apron features reciprocating pierced brass motifs and swags and provides an elegant support for the shaped, heavily veined marble top that is polished with a pencil round edge detail. The table provides a firm and stable surface making it ideal for use as a centre coffee table or side lamp table. Delivered polished and ready for the home.
