

Antique Taxidermy Showcase, English, Glass, Leather, Display Dome, 19th Century

DESCRIPTION

Our Stock # 18.7175

This is an antique taxidermy showcase. An English, glass and leather display dome, dating to the late 19th century, circa 1900.

- Quality showcase with clear glass dome
- Displaying a desirable aged patina - superb antique condition
- Tall dome free of marks or cracks and offers bright viewing
- Tiered base with ebonised finish and dressed with a light caramel leather pad
- Standing upon a trio of squat bun feet

This is a super antique taxidermy showcase, ideal for medium sized subjects and decorative items. Delivered polished and ready for the enthusiast or collector.
