

Vintage Bench Magnifier Lamp, English, Industrial, Light, Desk, Circa 1960

DESCRIPTION

Our Stock # 18.7164

This is a vintage bench magnifier lamp. An English, metal and oak industrial light or desktop instrument, dating to the mid 20th century, circa 1960.

- Fascinating example of mid-century industrial taste
- Displays a desirable aged patina - free of marks or losses
- Heavy construction a testament to the quality
- Optically ground, precision crown glass to the magnifying loupe
- Ergonomic anglepoise lamp frame with adjustable spring balance arms
- The magnifying glass offers 2x magnification
- Fully working with M76/T type lamp with warm white glow
- Supplied with a quality, generous length of cable and British Standard compliant 3-pin plug

3-pin plug

- Standing upon a tiered, oak circular base, offering fine grain interest
- Maker's plaque gives specification details and reads P.W. Allen & Co of Evesham
