

Large Ash Refectory Dining Table, Late C20th

DESCRIPTION

Our Stock # LFA-1327 This is a bespoke, hand made, English ash dining table from the mid-late 20th century. Extremely heavy and robust this commissioned piece is built to last in very generous cuts of solid ash and offers a generous and comfortable height of 79cm (31"). The solid 2.5 inch thick, five plank top is cleated at the ends and displays good grain detail and colour. Beneath, the refectory style frame is traditionally jointed with pegged detail and massive, 4.25" square section legs. Ideal for a country kitchen or dining room, hand crafted for generations to come and extremely heavy with solid joints and construction, this table comes delivered, waxed and polished ready for the home.
