

2 Seater Sofa in a Queen Anne Style, c.1900

DESCRIPTION

Our Stock # LFA-1308 This is an antique, Victorian, two seater sofa dating to c.1900. Ripe for recovering, this high wing backed sofa is a Victorian revival of a Queen Anne style, the raked rear panel with good double hump form and wings that delicately fall into the scrolled arms. Traditionally upholstered over a beech frame with super soft, feather filled cushions the sofa is raised upon a trio of squat cabriole legs to the fore and square section rear legs. Great form, a sleeping gem waiting for a new lease of life from recovering. Delivered with great potential.
