

Vintage Fly Fishing Showcase, English, Angling, Display, Tackle, Mid Century

**DESCRIPTION**

Our Stock # 18.7314

This is a delightful vintage fly fishing showcase. An English, bentwood countryside angling display collection of fishing tackle, dating to the mid 20th century, circa 1950.

- Bountiful riparian appeal and quintessentially British
- Displays a desirable aged patina
- Bentwood beech frame shows fine grain interest and dark caramel hues
- Attractive concave acrylic display dome in very good order
- Over 30, colourful types of fly, mounted upon a dark black ground
- Small hanging loop to rear above a waxed canvas backplate

This is a charming vintage fly fishing showcase, offering great colour, delicate details and countryside appeal. Delivered polished and ready to hang.
