

Set of Four Antique Windsor Chairs, High Wycombe Dining Hoop Back, Tail, c.1880

DESCRIPTION

Our Stock # AAU-3480

This is a set of four antique Windsor chairs from the High Wycombe area. Hoop back dining chairs with bobbin tail circa 1880.

- Beautifully crafted, country kitchen dining chairs
- Good colour with desirable aged patina
- Elm saddle seat panels display grain interest
- Quality through joints from ring turned legs
- Legs united by circular section 'H' stretcher
- Ash hoop backs encase a six spindle backrest
- Most notably a double spindle rear support to bobbin tail for added strength

A charming set of comfortable chairs. Solid joints and construction, delivered waxed, polished and ready for the home.
