# Antique Magneto Electric Therapy Machine, English, Scientific Medical Aid, 1900

## DESCRIPTION

Our Stock # 18.7273
This is an antique magneto-electric therapy machine. An English, mahogany cased scientific medical aid, dating to the late 19th century, circa 1900.

- Fascinating Victorian medical machine with superb display interest
- Displaying a desirable aged patina and in good order
- Polished brass mechanism with eye-catching rotary action
- Encased within a polished mahogany case showing fine grain interest
- The principle of turning the handle created mild electric shocks for the patient
- Intended to help with long-term headaches and other maladies

This is a fascinating antique magneto-electric therapy machine. An intriguing insight into the zenith of Victorian medical science, this example is a delightful display piece for those of a scientific interest. Delivered polished and ready to enjoy.
