

Antique Preserving Pan, English, Heavy Brass, Jam, Cooking Pot, Georgian, C.1800

DESCRIPTION

Our Stock # 18.7276

This is a delightful antique preserving pan. An English, heavy brass jam cooking pot, dating to the late Georgian period, circa 1800.

- Beautifully weathered pan of pleasing weight at 5.5kg (12.1lb)
- Displaying a desirable aged patina
- Brass offers wonderful tarnish from years of gentle polishing
- Fixed iron loop handle bound with rivets to the body
- Light golden tones to the polished interior

This is a desirable antique preserving pan, with great patination and as useful today as it was over 200 years ago. Delivered polished and ready for the kitchen or display.
