

Tall Vintage Statue, English, Garden, Outdoor, Sculpture, Romantic, C.1950

DESCRIPTION

Our Stock # 18.7341

This is a tall vintage statue. An English, reconstituted stone sculpture of two romantic lovers atop a podium, dating to the mid 20th century, circa 1950.

- Graced with decades of natural weathering
- Displays a desirable aged patina
- Reconstituted stone with striking verdigris to statue and base
 - Two romantic lovers stand forlorn in each other's arms - the gentleman's uniform suggests a parting embrace
 - Circular podium in the classical form, decorated with carved foliate bands

This is a fascinating vintage statue, with wonderful verdigris and romantic interest. Ideal for display in the ornamental garden or inside the home. Delivered ready to behold.
