

Large Vintage Terrestrial Globe, Continental, Beech, Rotating, Late 20th.C, 1970

DESCRIPTION

Our Stock # 18.7350

This is a large vintage terrestrial globe. A Continental, beech frame and papier-mâché gores to rotating globe, dating to the late 20th century, circa 1970.

- A dashing addition to the drawing room or library
- Displaying a desirable aged patina
- Beech frame shows fine grain interest and rich caramel hues
- 22-gore papier-mâché globe affords smooth curvature and minimises distortion
- The globe decorated with ancient landmarks, fauna and points of interest
 - Adjustable meridian ring dressed with brass finials - articulating the globe with smooth movement
 - Horizon ring to the centre annotates the signs of the zodiac with each individual icon
 - Standing upon a quartet of turned baluster legs, united by stretchers around a central drop pendant

This is an attractive vintage terrestrial globe, with superb colour and copious detail. Sure to be a conversation piece, this globe offers charming annotations and a striking finish. Delivered waxed, polished and ready to use or display.
