

Antique Helmet Scuttle, English, Copper, Coal Basket, Fireplace, Victorian, 1880

**DESCRIPTION**

Our Stock # 18.7389

This is an antique helmet scuttle. An English, copper coal basket for the fireplace, dating to the Victorian period, circa 1880.

- Wonderful patination to the globular form
- Displaying a desirable aged patina and appealing weathering
- Hand-beaten copper with rich amber hues and signs of gentle polishing
- Articulated basket handle with rivet bonded horse-shoe shaped brackets
- Standing upon four, small copper pad feet

This is an appealing antique helmet scuttle, suitable for all fire types. Delivered polished and ready to grace the fireside.
