DESCRIPTION

Our Stock # 18.7339

This is an antique garden seat. An English, wrought iron and wooden slatted outdoor chair, dating to the Victorian period, circa 1900.

- Ornately scrolled forms a highlight of this appealing outdoor chair
- Displays a desirable aged patina with pleasing light weathering
- Wrought iron frame with serpentine flourishes finished in a bright white hue
- Comfortably appointed with painted wooden slats to back rest and seat
- Large, graceful C-scroll arms meet the arched seat base
- Raised upon four joined legs with scrolled toes and united by a stretcher

This is a fascinating antique garden seat. Graceful scrolled forms and bright finish, ideal for the garden or patio. Delivered polished ready to be enjoyed.
