

Antique Countertop National Cash Register, American, Bronze, Shop, Edwardian

DESCRIPTION

Our Stock # 18.7351

This is an antique countertop cash register. An American, decorative bronze Pound Sterling shop till by National Cash Register of Ohio, dating to the Edwardian period with a 1905 serial number.

- Strikingly decorative antique cash register presented in superb order
- Displaying a desirable aged patina throughout
- The dashing bronze case repousse with copious fascinations of scroll and foliate motif
- Beautiful golden tones dazzle from the gently polished case in the ornate Dolphin pattern
- A Pound Sterling example of the Model 37 register with the 'Total Adder' principle mechanism
- Counter indicators presented within a bright, clear glass housing, free of marks or cracks
- Opening lid cover accessed by working lock, revealing the numeric customer and sales counters
- Lockable receipt side cage opens to reveal the fascinating print mechanism
- Charming register chime operates in conjunction with the smooth cash drawer mechanism
