

Antique Decorative Dumpy Level, English, Brass, Scientific Instrument, Display

DESCRIPTION

Our Stock # 18.7344

This is an antique decorative dumpy level. An English, brass scientific instrument for display, dating to the early 20th century, circa 1920.

- Presented for display, fully adjustable for those of a curious nature
- Displaying a desirable aged patina - some signs of professional use to the front
- Black painted brass barrel with contrasting vernier - pleasingly weathered appeal
- Front and rear element glass in good order, some cracks to internal element under inspection
- Pair of fluid-filled spirit levels in good working order
- Set of four vernier to base adjusts the level with smooth action
- Engraving to side reads 'Stanley, Great Turnstile, Holborn, London'
- Presented within a wooden box, with information label to lid interior

This is an appealing antique decorative dumpy level, ideal as a desk ornament for those of a scientific mind. Delivered polished and ready to enjoy.
