### DESCRIPTION

Our Stock # 18.7416

This is an antique hand-carved female bust. An African, ebony ornamental figure on Portland stone base, dating to the late 19th century, circa 1900.

- Striking form with an inherent beauty
- Displaying a desirable aged patina
- Hand-carved ebony with deep black hues and light caramel flourishes
- Presented with a quality wax polish finish
- Superb head-dress with fine detail over a strong facial expression
- Fascinating spike carving pattern to the rear adds tactility
- Standing upon a Portland stone plinth base with tan coloured protective leather to the underside

Graced with a wonderful juxtaposition between the disparate textures

This is a captivating antique hand-carved female bust, with superb detail and a strong, expressive pose. Delivered waxed, polished and ready to display.
