

Vintage Master Ship's Bell, English, Bronze, Maritime, Nautical Interest, C.1930

DESCRIPTION

Our Stock # 18.7420

This is a vintage master ship's bell. An English, bronze maritime bell with nautical interest, dating to the early 20th century, circa 1930.

- Wonderfully weathered cabin bell
- Displaying a desirable aged patina and appealing tarnish
- Lightly polished bronze bell with mellow orange hues
- Striking verdigris weathering to the bell interior with blue-green hues
- The clapper dressed with a quality, brown leather strap
- Swan neck arm for ease of wall mounting with articulated bracket - supplied with fixing screws

This is a charming vintage master ship's bell, with attractive weathering commensurate with age and fine nautical appeal. Delivered polished and ready to hang.
