

Antique Brooch and Scarf Clip Set, Scottish, Silver, Victorian, circa 1890

DESCRIPTION

Our Stock # 18.7465

This is an antique brooch and scarf clip set. A Scottish, silver jewellery or accessory set, dating to the late Victorian period, circa 1890.

- Delightful boxed set of antique Scottish silver pieces
- Displaying a desirable aged patina and in good order
- Scottish silver presents a bright shine and clarity
- Presented within a dark red case, lined with striking violet hues
- Decorated with engraved foliate shield with the initials ICG to centres
- Pair of matching, hinged scarf clips with hallmarks to rear
- Hallmarked for the Glasgow assay office and bearing the initials for Daniel Todd
 - Accentuated in gold tooling, case interior reads 'David Todd, Goldsmith and Watchmaker, Glasgow'

A charming antique brooch set, with quality Scottish silver, delicate engraving and versatile scarf clips. Delivered polished and ready to collect or wear.
