

Pair Of Bespoke Leather, Club Armchairs, 'The Dutchman' – chairs by London Fine

DESCRIPTION

Our Stock # 18.7480

Presenting a superior, bespoke pair of club armchairs, handmade in England.

The Dutchman by London Fine – a deep-seated, traditional club chair, so named for its relaxed, long profile.

Drawing upon London Fine's extensive knowledge and experience in traditional antique furniture, The Dutchman is the first in a new portfolio representing a renaissance of true artisan, traditionally inspired furniture. Engaging some of the most talented craftsmen, selecting the finest materials and utilising no expense spared, traditional principles of the highest order, The Dutchman delivers a new standard in the vanguard of luxury furniture.

Conceived from the desire to create an uncompromised classic, the conceptual idea leant itself perfectly to the creation of a chair, handcrafted to offer the last word in refined relaxation. Using traditional techniques and an eye for exacting detail, this is an inviting opportunity to grace the home with a pair of distinctive, luxuriant chairs upholstered in superior aniline hides, that will last several lifetimes.

The select tulipwood frame, sourced from 25 year sustainable stocks, benefits from pegged and bonded joints to offer a desira ...
