

## Antique Decorative Sconce, American, Carved Oak, Figure, Candle Bracket, C.1800

### DESCRIPTION

Our Stock # 18.7515

This is an antique decorative sconce. An American, carved oak figural candle bracket, dating to the late 18th century, circa 1800.

- Wonderfully naive carving to this fascinating American sconce
- Displays a desirable aged patina
- Carved oak offers deep russet hues beneath a wax polish finish
- Figural masque sits below a usefully flat candle surface with chipped edge
- Bountiful grapes decorate the tapering lower form
- Dressed with a small brass hanging loop for ease of wall mounting

This is a delightful antique decorative sconce with naive, late Colonial appeal. Delivered waxed, polished and ready to hang.
