DESCRIPTION

Our Stock # 18.7293

This is a vintage Giroflex desk chair. A Swiss, rosewood, teak and leather office seat by Karl Dittert for Martin Stoll, dating to the late 20th century, circa 1970.

- Inviting example of late 20th century Swiss craftsmanship and design
- Displays a desirable aged patina and in good order
- Wonderful Rosewood shell back redolent of the famous Eames chair
- Dressed with pleasingly aged original leather, offering a comfortable seat
- Ideally suited as a desk chair with adjustable height and tilt function
- Superb teak arms with tactile, chamfered edges over aluminium elbows
- Giroflex maker's label present upon the seat anchor
- Raised upon an aluminium column with rise and riding smoothly on five articulated castors

This is a stylish vintage Giroflex desk chair with strong late 20th century office taste and readily appealing Swiss craftsmanship. Delivered waxed, polished and ready to enjoy.
