

Vintage Desk Chair, English, Industrial, Beech, Office Seat, Late 20th, C.1980

**DESCRIPTION**

Our Stock # 18.7552

This is a vintage desk chair. An English, faux leather and beech height adjustable office seat, dating to the late 20th century, circa 1980.

- Dashing office chair with superb modern industrial taste
- Displaying a desirable aged patina and in pleasingly original order
- Upholstered with a quality faux leather over a comfortable dished seat
- Fascinating twin spar arms with attractive beech caps present fine grain interest and wonderful russet hues
- Standing upon a height adjustable, five leg base - riser adjusts by 20cm (7.75")

This is a delightful vintage desk chair, with eye-catchingly shaped arms and comfortable cushioned seat in faux leather. Delivered polished and ready for the home or office.
