

Antique Beehive Fireside Store, Copper, Fire Bucket, Coal Bin, Victorian, C.1850

**DESCRIPTION**

Our Stock # 18.7542

This is an antique beehive fireside store. An English, copper fire bucket or coal bin, dating to the early Victorian period, circa 1850.

- Fascinating tapered form and colouration
- Displays a desirable aged patina
- Pleasingly tarnished copper with appealing tonality
- Domed lid with small finial accentuated with sash border and beading
- Later inset pine bottom
- Dressed with a pair of bulbous handles and delightful hairy paw feet in cast brass

This is a charming antique beehive fireside store. Graced with pleasing form and wonderful patination, this store is suitable for all fuel types. Delivered polished and ready for the fireplace.
