One of America's celebrated rock poster illustrators, Jay Ryan (born June 15, 1972) has created vibrant, distinctive works for a genre-defying collection of musicians and bands including the Arctic Monkeys, Crowded House, the Flaming Lips and thousands of others.

From his small printshop 'The Bird Machine' Ryan began to create posters for his friend's bands as well as his own - Dianogah. Favouring cartoon squirrels over generic themes

and his work is both sought after by investors and collectors.
