- Print Height: 53cm (20.75")

**LIST PRICE**

£725.00

Langerado was an annual music festival held in Florida from 2003 until 2009 for bands of a similar sound to come together collectively in the sunshine state. This is one of many music related posters created by the screenprint artist Jeff Wood via his Drowning Creek Studio imprint. Focusing on maximal detail, a Jeff Wood piece is a treat for the eyes and stacked with visual interest.
