

## Large Antique Silversmith's Bench, English, Pine, Craftsman's Table, Victorian

### DESCRIPTION

Our Stock # 18.7628

This is a large antique silversmith's bench. An English, pine industrial craftsman's table, dating to the Victorian period, circa 1900.

- Wonderfully stout and strong antique artisan's table
- Displays a desirable aged patina throughout
- Thick Victorian pine top offers fine grain interest and natural finish
- Original light grey paint to frame naturally weathered with superb character
- Four plank top with thick, 5.5cm (2.25") stocks
- Pair of tool drawers to front with dividers dressed with half-dome pulls
- Raised upon four, stout square section legs
- Eye-catching cross-stretchers add visual interest and stability to the frame

This is a fascinating antique silversmith's bench, with desirable original patination and useful proportion. Solid joints and construction, delivered waxed, polished and ready for the home or institution.
