

Large Antique Panoramic Tapestry, French, Needlepoint, Decorative Panel, C.1910

DESCRIPTION

Our Stock # 18.7788

This is a large antique panoramic tapestry. A French, needlepoint decorative panel with mahogany frame, dating to the Edwardian period, circa 1910.

- Fascinatingly wide with great detail and colour
- Displays a desirable aged patina throughout
- Generously sized needlepoint tapestry with copious detail
- Presented within a quality mahogany frame, ready to mount
- Classical French forest scene with 18th century noblemen walking their hounds
- In the distance, rolling hills meander to a prominent castle overlooking a glade
- Foliage resplendent in an attractive array of mellow hues

This is a delightful antique panoramic tapestry, with idyllic classical French scene. Delivered polished and ready to hang.
