

Antique Privacy Scrap Screen, English, Photo Prop, Room Divider, Victorian, 1860

**DESCRIPTION**

Our Stock # 18.7669

This is an antique privacy scrap screen. An English, oak photography prop or room divider, dating to the mid Victorian period and later, circa 1860.

- Strong character piece, ideal for a backdrop or distinctive room divider
- Displays a desirable aged patina and hand finished appeal
- Three panel screen set within oak frame with ebonised jambs
- Folding flat in both directions, or against itself for ease of storage
- Decorated with antique figures, advertisement excerpts and idyllic scenes

This is a charming antique privacy scrap screen, with its *découpage* finish offering a unique option for room division or as a backdrop. Delivered polished and ready to use.
