

Antique Decorative Fire Back, German, Cast Iron, Fireplace, Black Forest, C.1850

DESCRIPTION

Our Stock # 18.7859

This is an antique decorative fire back. A German, cast iron fireplace back in the Black Forest taste, dating to the Victorian period, circa 1850.

- Dashing fire back with enduring Schwarzwald woodland appeal
- Displays a desirable aged patina throughout
- Cast iron back with pleasing weight and good, consistent graphite finish
- Presenting a Black Forest woodland scene, a wolf stalks its prey beneath the trees
- Further decorated with flower heads and scroll motif

This is a delightful antique decorative fire back, offering strong German Black Forest taste to the fireplace. Delivered polished and ready to use.
