

Antique 5' Panoramic Tapestry, French, Needlepoint, Display Panel, Edwardian

**DESCRIPTION**

Our Stock # 18.7787

This is an antique 5' wide panoramic tapestry. A French, needlepoint display panel in frame, dating to the Edwardian period, circa 1910.

- Of distinctively wide proportion with an idyllic scene
- Displays a desirable aged patina and in good order
- Quality needlepoint tapestry with pleasing, muted palette
- Presented within a quality frame, ready to wall hang
- Classical European village scene with mothers and children enjoying the outdoors
- In the distance, a prominent castle overlooks the vale below
- Foliage resplendent in fine detail, with blooming bushes in the foreground

This is a delightful antique panoramic tapestry, presenting the idyl of 18th century Europe. Delivered polished and ready to mount.
