

Bespoke, High Quality Specimen Box, English, Oak, Watchmaker, Collector Cabinet

DESCRIPTION

Our Stock # 18.7846

This is a bespoke, high quality specimen box. An English, light oak watchmaker's or collector's cabinet, dating to the current century.

- Specialised contemporary box, crafted to the highest quality for the discerning collector
- Wonderfully over-engineered as befits bespoke craftsmanship - weighing 17.9kg (39.46 lb)
- Light oak stocks show fine grain interest and biscuit hues
- Arranged as five sliding display trays, each dressed with a small brass pull
- Each glazed tray with tight lids, opening by four recessed grips to unseat the natural seal
- Lined interior with quality felt, appropriately finished in black to present specimens
- Deeply grooved upper edge and plinth foot add to the quality appearance
 - Maker's mark to drawer bases for Chadwick End Cabinets of Warwickshire, established in 2006

This is a superb, bespoke specimen box with no expense spared and crafted in the traditional manner, on paper and not by computer aided design. A delight for the serious collector or artisan craftsman. Solid joints and construction, delivered waxed, polished and ready to use. 1833 511
