

Large Antique Apothecary Funnel, Continental, Glass, Chemistry, Edwardian, 1910

DESCRIPTION

Our Stock # 18.7825

This is a large antique apothecary funnel. A Continental, glass chemist's funnel, dating to the Edwardian period, circa 1910.

- Of superb size and of display interest
- Displays a desirable aged patina throughout
- Faceted glass cascades into a slender spout with canted rim
- Glass of clear, bright appearance with some small marks commensurate with use
- Etched 'Foreign' import mark to upper

This is a fascinating antique apothecary funnel, offering collector appeal for those with an interest in chemistry or glassware. Delivered polished and ready to enjoy or showcase.
