DESCRIPTION

Our Stock # 18.7831

This is an antique coal scuttle. An English, copper fireside bucket and scoop, dating to the Victorian period, circa 1880.

- Attractive antique scuttle and companion coal scoop
- Displays a desirable aged patina throughout
- Rich copper tones and hues with pleasingly light weathering
- Coal scoop in matching taste, the handle showing use commensurate with age
- Generous loop handle with smaller handle to the rear
- Original scoop rest inside the bucket for convenience
- Handle mounts of shield shape with riveted bonds
- The scuttle raised upon a tapering circular stand

This is a charming antique helmet coal scuttle, set to add a dash to the fireplace. Delivered polished and ready for the fire side.
