

Vintage Surveyor's Level, Brass, Scientific Instrument, Engineering, Circa 1950

DESCRIPTION

Our Stock # 18.7935

This is a vintage surveyor's level. An English, brass scientific instrument with enamelled finish, dating to the mid 20th century, circa 1950.

- Appealing dumpy level with quality mahogany carrying case
- Displays a desirable aged patina throughout
- Black, lacquered brass primary barrel with polished fixtures
- Makes for a super desk ornament – the perfect gift for those with an interest in surveying
- Front objective element measures 30mm (1.25")
- Annotated spirit level mounted to the top of the barrel
- Vernier adjustment wheel in polished brass to the side
- Free standing or could be mounted to a tripod, with a quartet of balance wheels

This is a charming vintage surveyor's level with an eye-catching black finish. Sure to appeal to those who collect scientific instruments, this level will adorn the enthusiast's desk or within a collection. Delivered polished and ready for display.
