

Large Antique Decorative Vase, Japanese, Bronze, Meiji Period, Urn, Victorian

DESCRIPTION

Our Stock # 18.7975

This is a large antique decorative vase. A Japanese, bronze Meiji period urn, dating to the late Victorian period, circa 1900.

- Highly impressive antique vase with striking detail
- Displays a desirable aged patina by way of fine weathering
- Bronze shows a wonderful tonality with a light tarnish from decades of careful polish
- Decorated with key icons from the Meiji period of Japanese history (1868-1912)
- Broad, tapering rim with rolled lip, embellished by way of garland detail
- Panel scenes to both sides with three dimensional birds opposite crashing waves
 - Depicting a Falcon or Hayabusa flying overhead, the wave scene redolent of Hokusai's Great Wave off Kanagawa

- Encircling the decorative panel, a relief dragon adds mystical appeal
- The ground accentuated with chased cloudform icon pattern
- Appealing weight in hand of 6.7kg (14.7 lb)
