

Two Antique Hip Baths, English, Tin, Planter, Jardiniere, Victorian, C.1900

DESCRIPTION

Our Stock # 18.7940

This is a near pair of antique hip baths. An English, tin over steel bath as planter or jardiniere, dating to the Victorian period, circa 1900.

- Charming antique baths ideal for flower arrangements
- Displaying a desirable aged patina and in original weathered order
- Tin over steel bodies, with generous interior and flat bottom
- Remnants of original paint adorn the interiors of each bath
- Both stood upon a tall cylinder foot, the bottom could be easily drilled for flower drainage

This is a charming near pair of antique hip baths. A wonderful opportunity to secure two large planters for an upcoming flower show or themed arrangement. Delivered polished and ready to use.
