

Vintage Turned Tazza, English, Apple, Decorative Treen, Bowl, Art Deco, C.1940

**DESCRIPTION**

Our Stock # 18.8006

This is a vintage turned tazza. An English, Apple wood decorative treen or bowl, dating to the late Art Deco period, circa 1940.

- Attractive example of decorative wood turning
- Displays a desirable aged patina throughout
- Select Apple wood presents fine grain interest
- Rich russet hues beam beneath a wax polish finish
- Mounted upon an ebonised display plinth with protective baize foot

This is an appealing vintage turned tazza, with great figuring and gently chamfered turning a testament to the craftsman's skill. Delivered waxed, polished and ready to display.
