

Antique Garden Sundial, English, Stone Column, Brass Dial, Victorian, Circa 1900

DESCRIPTION

Our Stock # 18.7942

This is an antique garden sundial. An English, reconstituted stone column with brass dial and gnomon, dating to the Victorian period and later, circa 1900.

- Delightfully weathered, a treat for your garden
- Displays a desirable aged patina and flora
- Circular half column hewn from reconstituted stone
- Polished brass dial annotated with the hours in Roman numerals and compass points
- Stylish brass gnomon sits prominently above the dial, with pierced finish
- Stepped base adorned with verdant, aged moss

This is an appealing antique garden sundial, with a wonderful, natural patination. Ideal for the lawn or within an ornamental garden. Delivered ready to display.
