

Antique Adjustable Pole Screen, English, Needlepoint, Fire Shield, Regency, 1830

DESCRIPTION

Our Stock # 18.8159

This is an antique adjustable pole screen. An English, Rosewood needlepoint fire shield, dating to the Regency period, circa 1830.

- Quality Regency period fireside screen
- Displays a desirable aged patina throughout
- Select stocks show fine grain interest in the lustrous wax polished finish
- The adjustable screen panel is easy to position
- Slender turned support post rises to a discrete capping finial
- Foliate bouquet tapestry mounted within a square frame with chamfered edges
- The post anchored to a striking hyperboloid platform
- Standing upon squat bun feet to each corner

This is charming antique adjustable pole screen, offering quality fireside heat shielding from the Regency period. Set to enhance the fireplace of any living room. Delivered waxed, polished and ready for the home.
