

Antique Arm Chair, English, Armchair, Howard Style, Late Victorian, Circa 1900

DESCRIPTION

Our Stock # 18.5598

This is an antique arm chair. An English, textile upholstered armchair seat in the Howard style, dating to the late Victorian period and later, circa 1900.

- Delightfully comfortable easy chair with attractive upholstery
- Displays a desirable aged patina with light marks commensurate with careful use
- Benefits from a later professional upholstery in an eye-catching patterned fabric
- Graced with prominent arms offering shaped knuckles
- Raised upon a quartet of tapering legs and riding smoothly upon castors

This is an inviting arm chair, ideally suited for the lounge or conservatory. Ready to enjoy, or can be reupholstered for individual taste. Delivered ready to enjoy.
