

Large Antique Tapestry Panel, French, Needlepoint Frieze, Victorian, Circa 1900

DESCRIPTION

Our Stock # 18.8207

This is a large antique tapestry panel. A French, heavy needlepoint frieze, dating to the late Victorian period, circa 1900.

- Traditional, idyllic forest scene tapestry with captivating vibrancy
- Presents a generous size of 153cm x 127.5cm (60.25" x 50.25")
- Displays a desirable aged patina in very good order with minimal sun fade
- Striking colour palette with rich foliage and costumes
- Features two figures resting beneath a tree, accompanied by sheep
- Quality foliage detail and presenting a fascinating sense of depth
- The background shows a large fluffy cloud against the blue sky
- Seven inset hanging loops to rear for ease of mounting

This is an attractive antique decorative tapestry, with great detail and colour. Of generous size, the tapestry can be easily mounted. Delivered ready to enjoy.
