

Antique Field Sextant, English, Brass, Military Instrument, Stanley, Victorian

DESCRIPTION

Our Stock # 18.8270

This is an antique field sextant. An English, brass military surveying instrument, by Stanley of London, dating to the Victorian period, circa 1880.

- Appealing Victorian scientific instrument with fascinating forms
- Displays a desirable aged patina and in good order
- Brass shows sought after weathering with light patination
- Quality leather in good order with embossed maker's mark
- Radius sextant moves around its arc to aid navigation
- Magnified viewing window for reading the scale
- Vernier adjustments with pleasingly knurled edges
- Folding UV filters to protect against daytime sunlight
- Mahogany and brass handle to base for a secure grip in all weathers
- Inscribed to reverse 'Stanley, London 1884' with the military broadarrow mark
- Carry case dressed with fascinating rotating latches
