

Large Vintage Champagne Ice Bucket, French, Bottle Cooler, Rehoboam, Circa 1970

DESCRIPTION

Our Stock # 18.8301

This is a large vintage champagne ice bucket. A French, faux silver plate bottle cooler, dating to the late 20th century, circa 1970.

- Wonderfully reflective ice bucket, generously sized
- Displays a desirable aged patina throughout
- Faux silver plate polished to a bright appearance, free of tarnishing
- Rolled handles to each side for ease of carriage
- Bucket diameter of 17cm (6.75") can accommodate bottles of Jeroboam or Rehoboam size (5" diameter)
- Engraved for Louis Roederer, one of the last remaining independent producers in the region

This is a delightful vintage champagne ice bucket, with great appearance and large of proportion. Delivered polished and ready to serve.
