

## Vintage Concert Music Stand, English, Oak, Adjustable Lectern, Cotswold Manner

### DESCRIPTION

Our Stock # 18.8306

This is a vintage concert music stand. An English, oak adjustable lectern in the Cotswold manner, dating to the late 20th century, circa 1980.

- Distinctive and versatile music stand with wonderful overtones of the Cotswold style
- Displays a desirable aged patina and in very good order
- Select oak stocks show rich biscuit hues and fine grain interest
- Highly adjustable, the music rest rotating into horizontal position
  - Of generous size, the rest adorned with a carved medallion to the gently arched upper edge
  - Pierced staves creating a light, fascinating appearance
  - The whole standing upon circular trestle feet

Demonstrating fine engineering to the design, allowing for the seated or standing performer
