

Antique Fire Screen, French, Iron, Fireside Shield, Art Nouveau, Victorian, 1900

DESCRIPTION

Our Stock # 18.8383

This is an antique fire screen. A French, bronzed wrought iron fireside shield with Art Nouveau taste, dating to the late Victorian period, circa 1900.

- Classic Continental heraldic overtones with wonderful hand-beaten finish
- Displaying a desirable aged patina and in good order
- Bronzed wrought iron shows appealing tonality to the weathered appearance
- Hand-beaten relief with a knight's helmet and shield decor
- Prominent fleur-de-lys stand above the whole
- Raised upon striking Art Nouveau legs with small pad feet

This is an attractive antique fire screen, with superb Art Nouveau and heraldic overtones. A treat for any fireside. Delivered polished and ready to use.
