

Vintage Otis King Pocket Calculator, English, Mathematical Instrument, C.1960

DESCRIPTION

Our Stock # 18.8461

This is a vintage Otis King pocket calculator. An English, painted brass and chrome mathematical instrument, dating to the mid 20th century, circa 1960.

- Fascinating mid-century slide rule calculator with extending design
- Displays a desirable aged patina and in good order - minimal wear to scales
- Main body finished with black paint over brass, with weathering to edges
- Striking chrome cap and lower body presents bright tonality
- Model L with scale 429 and 430 offers multiplication, division and linear scale to find logs and anti-logs
- Engraved to concave end 'Made in England - T4787'

This is a delightful and intriguing vintage Otis King pocket calculator, with a tactile and attractive appearance. Ideal for the collector of mathematical instruments or sat upon a desktop. Delivered polished and ready to enjoy.
